

Hello World, Meet Meevo

Today...everything changes. Including what cloud software looks like, acts like, feels like, and how it functions. Meevo's sexy design screams BEAUTY INDUSTRY and the technology behind the scenes is groundbreaking. Cloud software no longer has to feel like a website! Use it on a Windows, Mac, or tablet device. Touch it! Communicate with Meevo via the Convobar® and see a system unlike any you've seen in the past.

Cloud

Multi-tasking in the cloud - Appointments instantly appear as they are booked, your sales totals will update as sales are made. No pressing 'refresh' to get updated data.

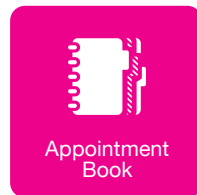

Smart Center

The Smart Center is a live tile representation of data. Everything you need to manage your business right at your fingertips. Easy to read. Easy to customize.

Convobar®

Convobar® - this patented innovation changes the way we look at booking appointments, walk-in management and communicating with software in general.

Appointment Book

A revolutionary touch capable appointment book that works directly with the Convobar® to simplify & streamline the booking process.

Smart Boards

The Smart Boards are beautiful gauges and charts that represent your sales and key performance indicators.

Success Center

The Success Center is the most innovative way to inspire employees and management to prebook, add on retail sales, and increase revenue.
